How to Have Great Meetings

Adam Yuret 2016-07-07

Meetings don't need to be terrible. They can be the best place for us to connect with the people we work with and do great things. This book presents the Lean Coffee method which has since its inception in 2009 spread across the globe to radically shift the way people meet with each other.

The Happy Apricots Brittney Mortimer 2017-12-07 Nora, Silas, and Avery are three unusual apricots! After being picked from their tree, they are taken home to live with Mr. and Mrs. Orchard. This begins their adventures with the "outside" world. They find out their favorite foods, build a roller coaster, and find new and exciting ways to climb furniture. These happy apricots will always make you smile with their newest discoveries! This book is printed in black and white.

The Last Legend J. B.

Wichterich 2014-05 A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marrisa would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marrisa's dearest friends. Overtaken by Marrisa's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of

his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...

How to Make Coffee So Good You'll Never Waste Money on Starbucks Again

Luca Vincenzo 2012-04 If you want to know how to brew the ultimate cup of coffee in the comfort of your own home (and save some money too!), then you want to read this book. You see, making great coffee boils down to doing a number of

little things right, such as selecting the right beans and roasts, and creating the right blends; using the right coffee machine and grinder; using the right amount of grounds; brewing at correct temperatures and for the right amount of time; and more. If all that sounds complicated to you, don't worry--this book breaks it all down and teaches you, step by step, everything you need to know to brew heavenly cups of coffee that are the hallmark of true coffee maestros. In this book, you'll learn things like... How to pick the right coffee machine and get the most bang for your buck, regardless of your budget. (Please don't buy a drip brewer before reading this chapter!) Everything you need to know about coffee beans to master the art of creating incredible blends that create rich, complex coffee. You'll be blown away by how much better your coffee will be when you use this information. Why you should seriously consider getting a coffee grinder, and which types are the best for

Scroll up and click the "Buy" button now to learn how to make coffee so good that your friends and family will rave.

Coffee Robert W. Thurston
2013-10-10 Coffee: A Comprehensive Guide to the Bean, the Beverage, and the Industry offers a definitive guide to the many rich dimensions of the bean and the beverage around the world. Leading experts from business and academia consider coffee's history, global spread,

cultivation, preparation, marketing, and the environmental and social issues surrounding it today. They discuss, for example, the impact of globalization; the many definitions of organic, direct trade, and fair trade; the health of female farmers; the relationships among shade, birds, and coffee; roasting as an art and a science; and where profits are made in the commodity chain. Drawing on interviews and the lives of people working in the business—from pickers and roasters to coffee bar owners and consumers—this book brings a compelling human side to the story. The authors avoid romanticizing or demonizing any group in the business. They consider basic but widely misunderstood issues such as who adds value to the bean, the constraints of peasant life, and the impact of climate change. Moving beyond simple answers, they represent various participants in the supply chain and a range of opinions about problems and suggested solutions in the

The Art and Craft of Coffee

Kevin Sinnott 2011-01-19 "In
the decades that Kevin Sinnott
has spent meeting with and
interviewing hundreds of coffee
professionals, rather than
crossing over to the dark side
and becoming one himself, he
has taken what he has learned
and translated it from coffee
geek-speak into English. Why?
For the sole purpose of
allowing you to better enjoy
your coffee. In short, if you like
coffee, you will love this book."
—Oren Bloostein, proprietor of
Oren's Daily Roast There is no
other beverage that gives you a
better way to travel the world
than coffee. You can literally
taste the volcanic lava from
Sumatra, smell the spice fields
of India, and lift your spirits to
the Colombian mountaintops in
your morning cup of joe. The
Art and Craft of Coffee shows

color recipe and lifestyle photos throughout, including photos of coffeehouses and coffee culture from around the world.

Always Wear Headphones

Stephen Blackwell 2017-08-26

Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide.* Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I

wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like...

"From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December. See www.alwayswearheadphones.com for more details.

Navigating a Sea of Emotions Kristin Hanley
2017-01-19 When the world says, "Let your emotions lead

you," we as Christ-followers must find a different course, navigating through the minor whirlpools, unpredictable winds, and sometimes ferocious hurricanes. Christ's words and actions guide our ships into deeper waters and beyond to the other shore. This book explores scriptural anchoring points, personality influence, and past experiences to give us a new vision of the weighted tension between letting loose with our feelings or cinching up and ignoring them altogether. As human beings, we are created with emotional dimension, and within Christ, we are called to surrender these feelings, using them in a healthy and biblical way.

The Coffeest Manifesto Steven Ward 2015-11-22 Make Coffee and Espresso at home! Make sure you're not getting ripped off at your local coffee shop! everything from the basics of coffee brewing to coffee roasting at home. I've always loved coffee and wanted to know more about it, but I hated all the pretense and mystique that surrounded it. Most of all, I hated walking into a coffee shop and feeling like I had to learn a new language just to order my black coffee. Still... Coffee is more than just a caffeine delivery system! This book sets the record straight and separates fact from fiction. Description from 1st Edition I, too, was a coffee zombie, walking around calling myself a coffee lover. For years I stumbled around in a daze drinking stale, bitter coffee and grumbling "beans... beans...." Thank Goodness I finally woke up to the world of coffee. By Immersing myself in the coffee world via reading every book I could find, visiting trade fairs, every high-end cafe I could find, and barista competitions, I realized that, while there is a huge amount of information out there free on the Internet and in artisan coffee shops, there was no single resource that

connects all the dots and spells it all out for confused novice coffee drinkers. Until now. Fact: Making a great cup of coffee requires focus and commitment. This means that to make a billion dollar for-profit coffee franchise, you MUST find ways to cut corners and short change your customers. Fact: There are some GREAT coffee shops out there that care about coffee and customers and are worth every penny they charge, but they can be hard to identify, making it easy to just settle for familiar chain coffee. Fact: Making very good coffee is NOT THAT HARD. With a minimal investment in time and education you can make the best cup of coffee you've ever had in your life in the comfort of your own home. This book shows exactly why billion dollar for-profit coffee chains are inherently unable to produce coffee of the quality you can make in the kitchen. The Coffeeist Manifesto is half self-defense manual and half how-to instructional. By the end of it, any coffee beginner

will have a foundational understanding of the coffee industry and know how to identify the good coffee shops from the bad ones. But most importantly, you'll know how to beat them at their own game by making coffee at home that blows the cafes out of the water. Table of Contents: Part I - Coffee Theory Coffeeists of the World, Unite! History The Politics of Coffee Barista's Dilemma Coffee Myths (caffeine facts, health, etc) Four Keys to Killer Coffee Coffee Roasting at Home Part II - Coffee Brewing Methods Zen and the Art of Brewing Coffee Instant Coffee Cowboy Coffee Cold Brew Percolator Pot Coffee Pot Press Pot/French Press Aeropress Pour Over/ Mr. Clever Vacuum Pot Regional Variations Trendy coffee brew methods Part III - Espresso A word about Espresso Moka Pot ("stovetop espresso") Grinders ROK Espresso Machine Rancilio Silvia Espresso Variations Part IV - The Truth About Coffee Shops Coffee Shop Appreciation Coffee Tourism

The Rules Decoding the Menu Other Coffee Drinks Coffee Recipes -Green tea extract - Butter Coffee / Paleo Coffee / "Bulletproof coffee" - "Umpkinpay Picesay" latte From Coffeeist to Aficionado In summary, there's no shame in not being an expert on coffee. For dummies like us, I teach you what you need to know to go out and explore the world of coffee for yourself.

The Marley Coffee Cookbook

Rohan Marley 2017-08-15 The Marley Coffee Cookbook sings the praises of coffee-infused cuisine Rohan Marley kicks off each chapter of The Marley Coffee Cookbook, offering anecdotes about growing up as the son of legendary musician Bob Marley, who to this day is revered by music lovers young and old. Many chapter names reference Bob Marley's music, and a chapter of vegetarian recipes starts like this: "One Love is one of my father's biggest songs, and I wanted the coffee that I named One Love not just to be a standout single origin coffee, but to really resonate with people."

Chef Maxcel Hardy's flawless recipes and expert guidance on the best way to infuse a dish with coffee flavor make this book a very special addition to any cookbook collection. From the vantage point of a chef, Hardy speaks to the importance of choosing a particular coffee to harmonize with certain foods, and he shows how easy it is to use coffee in a way that it brings out the best in everything from savory dishes to sweet treats. There's a strong coffee connection for each dish, whether it is infused with a mocha theme or it rocks an espresso flavor. These are dishes you're unlikely to find in many other places: sweet potato waffles with a pecan coffee syrup, grilled salmon with a coffee, maple, and ginger glaze, fried plantains with coffee sugar, coffee spice blend-marinated lamb ribs with guava BBQ sauce are just some examples of Hardy's imaginative recipes.

Remember Who You Truly Are

Sally Jane Francis 2016-04-27

This book will help you to

remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started

reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally,

when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

[The Coffee Can Baking Book](#)
Allen Bornstein 2015-12-23

Baking in coffee cans goes back to the early 1900's, when people didn't necessarily have all the fancy pots and pans that we have today. They used whatever they had and since coffee came in cans that held a pound of coffee, it was handy to use them for baking and for cooking. Today, there are still some recipes that are traditionally baked in cans. This book was written to help

people explore the fun of baking things the old fashioned way - in coffee cans. To help get you started, the book contains 50 recipes for cakes, quick breads and yeast breads that you can bake in the cans. The recipes combine both traditional coffee can recipes and modern recipes that have been re-imagined for this exciting and fun baking style. Most of the recipes are not complicated and do not require special equipment. The book explains what cans you can or should not use. It also describes how to prepare the cans and what ingredients are used in the preparation of the recipes. It gives a source for buying the cans with the book or separately. Many of the recipes use similar methods of preparation to keep things simple. These recipes can also be baked in standard baking pans with an adjustment to baking times. Sometimes what's old is new. If you love baking, you will love The Coffee Can Baking Book.

It comes with 100 lined pages to help you jot down any interesting daily thoughts or lists that you may want to save. Enjoy this notebook or give it as a gift! Happy Journaling!

How to Make Coffee Lani Kingston 2015-03-02 How to Make Coffee explores the scientific principles behind the art of coffee making, along with step-by-step instructions of all the major methods, and which beans, roast, and grind are best for them. This book also covers topics such as: The history of the bean Chemical composition Caffeine and decaf Milk Roasting and grinding Machines and gadgets . . . and many more Caffeine is the most widely consumed mind-altering molecule in the world; we cannot get enough of it. How is it that coffee has such a hold? Its all in the chemistry; the molecular structure of caffeine and the flavour-making phenols and fats that can be lured out

from the bean by roasting, grinding and brewing. Making good coffee depends on understanding the science: why water has to be at a certain temperature, how roast affects taste, and what happens when you add cream. This book lays out the scientific principles for the coffee-loving non-scientist; stick to these and you will never drink an ordinary cup of joe again.

Coffee Gives Me

Superpowers Ryoko Iwata 2015-04-07 If coffee is the foundation of your food pyramid, then this is your book. The Healing Powers of

Coffee Cal Orey 2011-10-24

"This book is a wake-up call to
show coffee, an emerging
ancient remedy, is now the
'newest' health food"—includes
recipes and cures! (Ann Louise
Gittleman, Ph.D.) Java facts you
didn't know . . . According to
legend, an Ethiopian goat
herder was the first to discover
the energizing benefits of the
coffee bean plant centuries
ago. Drinking freshly ground
coffee from whole beans can
help lower the risk of heart
disease, cancer (including
breast, prostate and skin),
cirrhosis, type 2 diabetes,
Alzheimer's and Parkinson's
disease! Coffee is the number
#1 source of antioxidants in

the U.S. diet. Coffee can relieve a host of ailments, including asthma, dental woes, gallstones, headaches, short term memory loss, muscle pain, as well as help you slim down and shape up! Percolating with information about the world's favorite superfood, as well as interviews with medical doctors, researchers, and coffee roasters, this intriguing book (with a jolt of past and present coffee culture) describes coffee types and blends, and flavored varieties (both regular and decaf), like chocolate, fruits, nuts, and spices. Discover why this potent elixir has gone from vice to virtue and how to incorporate coffee in Mediterranean-style, healthful recipes like Cappuccino Biscotti, Thai Coffee Spice Chicken Sates, Coffee Cheesecake and Maple Espresso Pudding (plus DIY espresso drinks). Also included are more than 50 home cures that fight seasonal affective disorder to fatigue, plus beauty and anti-aging treatments, and

eco-friendly household uses—all made with coffee's magical beans! "A cup or two of Joe every day is a good way to boost mood, energy and overall health."—Julian Whitaker, M.D., founder of the Whitaker Wellness Institute

The Craft and Science of Coffee Britta Folmer
2016-12-16 The Craft and Science of Coffee follows the coffee plant from its origins in East Africa to its current role as a global product that influences millions of lives though sustainable development, economics, and consumer desire. For most, coffee is a beloved beverage. However, for some it is also an object of scientific study, and for others it is approached as a craft, both building on skills and experience. By combining the research and insights of the scientific community and expertise of the crafts people, this unique book brings readers into a sustained and inclusive conversation, one where academic and industrial thought leaders, coffee farmers, and baristas are quoted, each informing and enriching each other. This unusual approach guides the reader on a journey from coffee farmer to roaster, market analyst to barista, in a style

that is both rigorous and experience based, universally relevant and personally engaging. From on-farming processes to consumer benefits, the reader is given a deeper appreciation and understanding of coffee's complexity and is invited to form their own educated opinions on the ever changing situation, including potential routes to further shape the coffee future in a responsible manner. Presents a novel synthesis of coffee research and real-world experience that aids understanding, appreciation, and potential action. Includes contributions from a multitude of experts who address complex subjects with a conversational approach. Provides expert discourse on the coffee value chain, from agricultural and production practices, sustainability, post-harvest processing, and quality aspects to the economic analysis of the consumer value proposition. Engages with the key challenges of future coffee production and potential

solutions.

Hot Drinks Mary Lou Heiss
2013-03-06 When summer days give way to autumn crispness and the first snows of winter, falling temperatures send you searching for thick sweaters and woolly hats. But nothing warms you down to the soul like a steaming mug of hot chocolate or spicy mulled cider. *HOT DRINKS* presents fifty recipes for delicious coffees, teas, chocolates, ciders, punches, and cocktails to sip in front of a crackling fire or heat up holiday get-togethers. You'll find a toasty pick-me-up for every frosty occasion, including classics like Hot Buttered Rum, Cafe con Leche, and Moroccan Mint Tea, as well as new twists on old favorites like Snowflake Vanilla White Chocolate, Hot Wasabi Red Snapper, and West Indies Pineapple Cup. Featuring a festive collection of 50 hot drink recipes for fall and winter holiday entertaining, more than 30 full-color photographs, and including both alcoholic and nonalcoholic drinks, these easy-to-mix, cold-

I Love You More Than Coffee
Melissa Face 2020-09 Are you trying to balance raising a family with maintaining your own identity? Have you ever been so exhausted that you showed up to a meeting carrying your baby's diaper bag instead of your briefcase? In her debut collection, *I Love You More Than Coffee*, Melissa Face writes about the emotions we all experience as parents: anticipation, joy, fear, guilt, and worry. Whether you are a new or seasoned parent, you will find common ground in Melissa's heartfelt, humorous, and authentic stories of her life with two young children. If you love coffee a lot and your kids (a little) more, this book is for you. Fill your mug with your favorite brew and settle in with *I Love You More Than Coffee*.

back, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time?

Stoner Coffee Table Book Steve Mockus 2011-10-21 Have you ever really looked at a book? The state of being high rewards deep attention, and lots of things can seem really, really interesting. It might be a spot on the ceiling, or an oddly-

shaped tortilla chip, or a bit of wood grain. But why settle for staring at the coffee table? What if there was a book on that table specially created to amaze and delight pot smokers and their friends? This highly entertaining collection of images is the ultimate centerpiece and conversation starter. Featuring dozens of immersive, trippy, funny, meditative, and mind-bending images, each page offers a new visual world of wonder that everyone can enjoy especially those living the high life *When Time Stood Still* K. S. Adkins 2015-08-06 Our lives are spent watching the clock. We go to sleep by it. Wake up to it. Rely on it. Race it. It's easy to forget that we're only given so much. We ignore it because we're convinced we'll always have more. I am proof that we aren't promised anything. The clock owes us nothing. I know this because not only was Time my name, I wasn't given enough of it. Sure I had challenges but I vowed to make the most of it, of my young life. My limitations wouldn't

hold me back. Time was on my side. Then I was told otherwise. Now the clock was working against me. I would face this disease alone. Then he walked in and changed everything. He gave me a reason to fight. He helped me prepare. Like others before me, when time slowed I wasn't ready. I begged for more. But the clock, it stopped for no one. On the day my world went black, I refused to take him with me. Only he didn't listen. I was a doctor. A bringer of bad news. I read the chart. She was fucked. My hands, they were tied. I was a doctor who could not heal what was beyond that door. I had no hope to offer her. But I wanted this over with. The sooner the better. I walked in, looked up and saw color. Not one. All of them. They surrounded her. She was a patient. You did not cross that line. I would not cross that line. I should have kept my eyes closed. Life was easier when you didn't see. But they were open now. They saw her. They saw everything. Suddenly invisible lines ceased to

matter. For me, Time mattered. How far would you go to make sure the one you loved had enough of it? Would you challenge the clock? Help them prepare? Could you watch them suffer? Could you accept a life without them in it? Or, would you follow them into the darkness? I did. This is our story.

The Coffee Dictionary Maxwell Colonna-Dashwood 2017-09-07
An A-Z compendium of everything you need to know about coffee, from a champion barista. anything from country of origin, variety of bean and growing and harvesting techniques to roasting methods, brewing equipment, tasting notes - as well as the many different coffee-based drinks - The Coffee Dictionary is the final word on coffee.

Coffee Isn't Rocket Science

Sebastien Racineux 2018-04-03

This fully-illustrated, highly-informative, and fun primer presents a whole new way to know and enjoy any type of coffee. In the same format as the highly-praised Wine Isn't Rocket Science. Rocket science is complicated, coffee doesn't have to be! With information

presented in an easy, illustrated style, and chock-full of the fool-proof and reliable knowledge of a seasoned barista, Coffee Isn't Rocket Science is the guide you always wished existed. From how coffee beans are grown, harvested and turned into coffee, the history and flavor profiles of beans from every country, making pour-overs, cold brew, and latte art, and the cultural practices of drinking coffee around the world, this book explains it all in the simplest way possible. All information is illustrated in charming and informative four-color drawings that explain concepts at a glance.
