Love and Other Foreign Words Erin McCahan 2014-05-01 Equal parts comedy and coming of age, this is a whip-smart, big-hearted, laugh-out-loud love story about sisters, friends, and what it means to love at all. Can anyone be truly herself—or truly in love—in a language that's not her own? Sixteen-year-old Josie lives her life in translation. She speaks High School, College, Friends, Boyfriends, Break-ups, and even the language of Beautiful Girls. But none of these is her native tongue--the only people who speak that are her best friend Stu and her sister Kate. So when Kate gets engaged to an epically insufferable guy, how can Josie see it as anything but the mistake of a lifetime? Kate is determined to bend Josie to her will for the wedding; Josie is determined to break Kate and her fiancé up. As battles are waged over secrets and semantics, Josie is forced to examine her feelings for the boyfriend who says he loves her, the sister she loves but doesn't always like, and the best friend who hasn't said a word--at least not in a language Josie understands. "Josie's a rarity in teen literature, a genuine original . . . Lively characters and a satisfying plot foil reader expectations in the best possible way."—Kirkus Reviews

Geek Girl Holly Smale 2013 My name is Harriet Manners and I am a geek. Ages:12+Harriet Manners knows that a cat has 32 muscles in each ear, a jiffy lasts 1/100th of a second, and the average person laughs 15 times per day. She knows that bats always turn left when exiting a cave and that peanuts are one of the ingredients of dynamite. But she doesn't know why nobody at school seems to like her. So when Harriet is spotted by a top model agent, she grabs the chance to reinvent herself. Even if it means stealing her best friend's dream, incurring the wrath of her arch enemy Alexa, and repeatedly humiliating herself in front of impossibly handsome model Nick. Even if it means lying to the people she loves. Veering from one couture disaster to the next with the help of her overly enthusiastic father and her uber-geeky stalker, Toby, Harriet begins to realise that the world of fashion doesn't seem to like her any more than the real world did. 100 Days of Sunlight Abbie Emmons

2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a

boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons.
